MAIL STOP MISSING PARTS

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313

Sir:

In response to a Notice of Omitted Items mailed October 13, 2004, Applicants hereby petition and request the Office enter the enclosed re-submission of patent application. In the Notice, the Office stated that page 19 of the Application was omitted. Our records show that page 19 was in fact deposited with the U.S. Patent and Trademark Office with the nonprovisional application papers on November 17, 2003. A Declaration is also being provided as evidence of such deposit.

A copy of the return receipt postcard is attached as an Exhibit, showing receipt by the U.S. Patent and Trademark Office of 20 pages of the application.

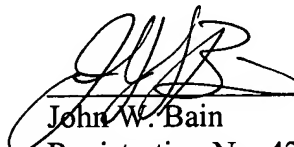

Since it is believed that the missing page was the fault of the Office, no fee would then be due. However, if a fee is due, please debit Deposit Account No. 10-0270 for the statutory fee of \$130.00, under 37 C.F.R. § 1.17(h). It is understood that should you subsequently find that page
